

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant was informed that there was a typographical error in the previous restriction requirement, which inadvertently included claims 10-13 in Group I. Applicant was informed that the forthcoming Office Action would include a proper restriction requirement accurately indicating the grouping of the claims. After setting forth the Groups as they would be presented in the forthcoming restriction requirement, the Office confirmed Applicant's election of Group I with traverse.
